YOU HAVE THE ANSWER

You know Jesus. You experience his love, He has set you free, and you know that you have the key to the spiritual crisis our world is facing right now. Every Christian is called to share the truth of the Gospel, but how do you tell someone about Jesus when they don't even want to be in the same room with you? How do you introduce them to God when they won't step foot in church? Groundwire's coaches do it every day, and you can be a part of it.

SPREAD THE GOSPEL

Groundwire is an online evangelical ministry with the mission to lead every youth and young adult into a personal relationship with Jesus by leveraging current media channels to connect with them wherever they are. We interrupt them on the devices where they spend so much time, hold up a mirror to their pain, let them know God cares, then invite them to a one on one chat conversation, for free. Our coaches listen to those who feel unheard, and let them know they matter and they are loved. Then they shift the conversation to the real answer to their problem, and introduce them to Jesus.

YOU CAN REAP THE HARVEST

Matthew 9:37-38 says that when people are harassed and helpless like sheep without a shepherd, they are ripe for the harvest! Now is the time, and like those verses say, we need workers to bring them in. You can be that voice of truth and encouragement. Thousands of lost and hurting are coming to us daily, and you have the incredible opportunity to be there to answer them. We will train you, equip you, and support you as you chat with people on your schedule, from anywhere. You can be a part of a team that led to 192,506 professions of faith in 2021, and will see a total of one million people coming to Christ since 2016 by the end of this year.

READY FOR GOD TO USE YOU TO SHARE HIS LOVE WITH PEOPLE WHO ARE MORE OPEN TO THE GOSPEL THAN EVER BEFORE?
